

Is Hiring!

Castle Rock Party Center is holding auditions for staff members and performers to bring the Castle Rock vision to life! We strive to create a stress free, organized party experience for children and adults, while creating magical memories with the help of our trained character performers and staff.

Job Descriptions

Characters

Our performers train and practice acting, singing, talking and interacting the way their intended character would. Being a princess isn't always just crowns and glitter! To work as a Castle Rock princess or character, you must have singing and acting skills and/or experience, work well and multitask under pressure, interact well with children of all ages and adults, be able to stay in character and on task during a party, and be prepared with your characters material and background. As a performer, you are expected to be familiar with the songs, backstories and mannerisms of the characters you portray.

Staff

Castle Rock staff members are what create the perfect, seamless and stress free party environment. Responsibilities include decorating the venue,

cleaning the rooms and amenities, serving food and drinks to guests, assisting children with nails and makeup, being ready to help the princess or character stay on task, interacting with guests of all ages,

leading and hosting the party's events, and keeping the party on a timed schedule.

Other qualifications and information

Castle Rock workers must have a flexible schedule and reliable transportation to cater for varying party and event dates and times. Year round parties occur most often on Saturdays and Sundays with staff on site for approximately 3 hours per party. There may also be occasional Weekday work.
